New space to Dream Buyal Bandu

Dream Buyal Bandu Program kicked off 2019 with the use of a new space every second break especially for our grade 5 and 6 girls to come and hang out, make a feed and participate in positive activities at lunchtime.

This Circles of Care Program is funded by Mission Australia, and we've already found these girls love having their own area to decorate and make into a welcoming space.

Several Mums have dropped in to have lunch with us and they are welcome, as are our Aunties,

Grandmothers and carers.

Our Friday afternoon sessions of the Dream Buyal Bandu Program have focussed on connectedness, building trust and setting goals and expectations.

We have built a strong foundations for another great year!

Yarrabah Communities for Children (CfC) operates with a committee who plans, monitors and reviews our activity in Yarrabah.

Our Communities for Children Committee in Yarrabah (pictured above) is Front Row L-R: Davida Schrieber, June Noble, Margaret Osmond, Ainsley Dangar, Nadine Cannon & Gillian Bann; Back Row: Devetta Mundraby, Glennis Murgha, Melanie Walsh, Natika Yeatman, Lutricia Murgha, Katrina Stafford & Paula Castle. Absent: Alicia Hari, Chrisstella Fourmile, Colin Cedric, Darren Miller, Elverina

Johnson, Hala Kattab, Janine Yeatman, Lynn Yeatman & Thelma Yeatman.

The committee's work is about providing opportunities for children to develop emotionally, socially and physically in their early years to benefit their health and wellbeing in later life.

Communities for Children (CfC) is an Australian Government initiative funded by the Department of Social Services.

If you live in the Yarrabah area and would like to join us, please contact Natika Yeatman at Shop 2 in Yarrabah Knowledge Centre Complex for more information.

B The best

**WITH SMILES, TOUCH AND YOUR VOICE
BE THE BEST BROTHER, SISTER, GRANDPARENT, UNCLE, AUNT, COUSIN, FRIEND**

Warm and loving interactions between you and your child develop your child's confidence, resilience and communication. This prepares your child for things they come across later in life, like working through problems, dealing with stress and forming healthy relationships with other people in adolescence and adulthood.
