In recognition of the risks associated with more infectious new variants through the winter period, the Commonwealth agreed to reinstate the Pandemic Leave Disaster Payment to 30 September 2022.

Eligibility for the payment will be backdated to 1 July 2022, to ensure anyone unable to work owing to isolation requirements in this period, without access to paid sick leave, is supported.

Access to these payments started from Wednesday 20 July, with existing eligibility requirements to continue.

On Friday 22 July, there were 9023 new COVID-19 cases recorded in Queensland.
