Domestic and Family Violence Prevention & Awareness Month

OUR COMMUNITY NIGHT PATROL SERVICE WILL OPERATE EVERY DAY DURING MAY

May 2023

Every May Popmur Panthu Aboriginal Corporation marks Domestic and Family Violence Prevention & Awareness Month.

“It’s in our control to end coercive control.”

Domestic violence is not just physical abuse. Coercive control is a form of abuse that can be just as damaging. It’s when one partner uses manipulation, threats, and intimidation to control the other. If you or someone you know is experiencing coercive control, seek help immediately. You deserve to be in a safe and healthy relationship.
