Fishing comp draws huge crowds

Hundreds of competitors from all walks of Pormpuraaw life joined the Council and several community organisations, including PPAC, in last weekend's fishing competition. With a huge array of prizes, some of which were contributed by PPAC, there was much to be gained from being in the right place at the right time (with the right bait, etc etc!). The hugely popular community event will be on again next year! Pics thanks to Pormpuraaw Aboriginal Shire Council.

Top up your immunity this Winter

You can top up your COVID-19 protection with a COVID booster if you're 18+ and it's been six months since your last dose or infection.

The COVID-19 vaccine does not protect against the flu, so you should still have your free annual flu shot.

Receiving your COVID-19 and influenza vaccines is safe and produces a good immune response.

Talk to your health care worker for more information or visit https://www.healthdirect.gov.au/australian-health-services to find and book an appointment.
