Child Care Subsidy help available

Families with more than one child aged 5 or younger have been eligible for a higher rate of Child Care Subsidy (CCS) to help with costs since March last year.

The CCS increased in July 2023. Most families using early childhood education and care now get more subsidy.

More families are now eligible. Families must meet eligibility criteria to get CCS.

The amount of CCS a family

can get depends on their circumstances.

Services Australia looks at:

- a family's income
- how many children a family has in care
- the age of the children in care
- a family's activity level

- the type of care a family uses.

Find resources to help families understand the changes at www.childcaresubsidy.gov.au Or see here for more information: <https://www.servicesaustralia.gov.au/your-number-children-care-can-affect-your-higher-child-care-subsidy>
