Come and see us at the Healing Centre for confidential support, advice and advocacy for

families. We're here to support our families to support their children to grow up healthy and happy.

The Healing Centre has added an additional way of contacting counsellors when the receptionist is not available via an intercom system.

Just press the button, and a

counsellor will attend to your needs.

Men's Support has a key cutting machine!

Bridge City LockSmiths Jason Sarpa came from South Australia to teach the men how to cut keys at the Men's Shed. Contact 0488 928 415 to book your cut!
