Bwgcoldman Community School held a graduation for their 2024 Year 12 students in mid-November.

The school community, families and friends gathered to celebrate their momentous day, the culmination of years of hard work, growth and dedication.

The event was especially significant for Vaughn Charles, Zac Morton-Bengaroo, Kymani Nallajar, and Paige Tanner-Hill, whose achievements were highlighted throughout the day's festivities.

The celebration began with the traditional 'clap-out' ceremony, where the graduates were cheered and applauded through the gates of the school.

This emotional send-off marked the start of the formal proceedings,

setting a tone of excitement and gratitude for the incredible journey each student had undertaken.

The event included a special awards ceremony where the graduates were recognised for their academic excellence, leadership and citizenship, sporting excellence and a most improved award.

The graduating cohort was celebrated for their unique accomplishments and the positive impact they had on their peers and school life.

The formal graduation ceremony followed, with speeches from staff, families and community members reflecting on the challenges and tri-

umphs of the years.

The atmosphere was filled with pride and anticipation as the students officially graduated, marking the end of one chapter and the beginning of the next.

The school would like to wish our 2024 graduates all the best in their future endeavours.

A big congratulations goes to Vaughn, Zac, Kymani and Paige: the Bwgcoldman Community School graduates of 2024.
