Issue 58: 21 June 2021

Staff training gains new support

Newly employed full-time Training Coordinator Josephine Szilagyi (pictured below with PPAC Psychologist Nigel Sullivan) has made the process of upskilling our employees considerably easier for PPAC, CEO Ganthi Kuppusamy says.

“We will be busy completing various training courses from July onwards,” Ganthi said.

“Our Long Day Care, Playgroup and Outside School Hours Care

staff members will be starting their Certificate IIIs and Diploma courses in Early Childhood Education via TAFE very soon.

“We also have Shenee Yantumba and

Venita Teddy starting their Certificate IIIs in Business Administration.

“It is wonderful to see our staff up-skilling for their roles with Josie’s support.”
