

# PORMPUR PAANTHU NEWS WEEK

Issue 97: Monday 11 April 2022

## They're having a ball! (when they're not fishing!)

It was the week that had everything, with another week still to come in PPAC's holiday activities packed calendar of events.

PPAC was happy to provide supervision and staff to daily activities which included a movie night and 'glow in the dark' disco on Friday night.

PPAC also sponsored several prizes for last Friday's fishing comp including a large TV, several items of kitchenware and even a pair of binoculars.
