

Consultation Day brings in important feedback

Wujal Wujal Aboriginal Shire Council's Consultation Day, held on Wednesday 16 July, was about hearing our community's voice and suggestions on projects such as the new Arts Centre and Emergency Refuge and Council administration building.

More than 50 people came along and it was great to get their feedback on the rebuilding of our community – community voices matter.

If you have suggestions or need more information, please do not hesitate to contact the WWASC Operation Manager, Perry Gould.

Thanks to our stakeholders RILPO, DOH, Backlash and Peddle Thorp.

CI&F CAIRNS
INDIGENOUS
ART FAIR
11 - 13 JULY 2025

Wujal Wujal artists attended the three-day Cairns Indigenous Art Fair in mid-July. It was a fantastic opportunity for them to learn, share, preserve and build relationships, as well as find inspiration and take some of the many opportunities to increase their knowledge and skills on offer at the event. We may be down, but we are not out!

Boral have completed their upgrade works on the road and footpaths in our community. The purpose of upgrading the road was for the safety of the community and empowering all of us to walk, exercise and enjoy our beautiful Wujal. WWASC Operations and stakeholders are doing a great job rebuilding our community for us.
