January 2026

Please be aware there may be images of deceased people in this publication.

As this year's wet season makes its presence felt, Mayor Ralph Kendall has wished everyone in the community a happy and healthy 2026, and reminded people to take extra care on the roads.

January was relatively uneventful as everyone returned from their Christmas break, CEO Janelle Menzies writes ...

*A word from CEO  
Janelle Menzies*

Thank you to those who worked through to keep our essential services going, especially Ro Coakley, who received an Australia Day Achievement Award for her work with our Rural Fire Service.

The month passed very quickly, and in February I am looking forward to welcoming our New Executive Manager of Operational Services and Leona Worrell, who was my Executive Support Officer, relocating to Pormpuraaw.

We are building a great team working for Pormpuraaw Aboriginal Shire Council and we will achieve great things in 2026.

See next page for more...

We have had some star employees and teams doing great work yet again, Janelle writes ...

They included

- Grace Tomun, who moved to the Cairns office on very short notice, has approached the transition with an exceptionally positive attitude and genuine willingness to learn her new role.
- Clinton Williams, for raising concerns and enquiring about potential strain injuries by manually lifting and lowering the large roller doors in the Rangers Shed.
- The Parks and Gardens Team for consistent use of signage during grass management operations.

Awards also go to:

**Star Employees of the Month** Melissa Douthat, who is taking on learning our procedures and keen to learn the connection process while ensuring her team is also learning the processes.

**Star Team of the Month** to the Rangers for working safely, identifying risks and ensuring all paperwork is complete for their recent tree works.

**Star WHS Champion of the Month** to Noel Tabuai, who, while at the Bakery, has been cleaning the public toilets without being asked or prompted. Special mention to John 'Sticks' Holroyd, who is back working at Blackstar Radio in Pormpuraaw, a position which is partially funded by Council.

## New Starters

We are excited to have offered two Year 12 school-leaver positions with Council.

Hamish Gothakchalenin started as an Apprentice Carpenter and Christopher Savage as a Training Essential Services Officer.

We also welcomed Geoff Scott as our Admin Store Team Leader and Michele Dunk, our new HR Support Officer, who will be working from our Cairns office.

Welcome to our great team.
