School holidays are here!

And with school holidays comes heaps of fun and heaps of activities for the whole family.

This Autumn break PPAC is focussed on training up our young people - or anyone who is keen - into leadership positions for our sport teams. If you think you might make a good coach, ref, or even captain in your chose sport, this is for you!

If you'd rather go fishing, there's an option for that too!

Enjoy your holiday break and stay safe!
