Positive Women's Yarning Circle

PNPM's women's group yarning program was a positive and welcoming session, that gave the women an opportunity to come together, yarn, share experiences and support one another. It was great to see everyone participating and enjoying the program.

RIGHT: Liza's Wellness and Fitness program was also well-attended last week, with a great group coming together for sessions which gave everyone a chance to switch off, relax and unwind from their hectic days.
