PNPM YOUTH SUMMIT 2026!

Pic by Bryce Levi

What a great week we've had!

On behalf of PNP, we would like to say a very big thank you to all our young people who joined us and made the 2026 Youth Summit so special.

We hope you had fun, learned something new, built new friendships and made some great memories.

Our theme this year was *"Future Leaders, Strong Community."*

To all our young people — believe in yourselves, look after each other and keep moving forward.

You are our future leaders.

A heartfelt thank you to all our service providers, sponsors, supporters, visitors, volunteers, cooks and helpers.

Your time, hard work and contributions helped make this week possible.

We were also very pleased to welcome Shadow Premier Steven

Miles to Pormpuraaw during the Youth Summit.

We sincerely appreciate him taking the time to meet and engage with our young people, participate in Youth Summit activities and join us for the presentations.

His visit was greatly appreciated by PNP and our community.

We also sincerely thank everyone for respecting our community and our cultural protocols during Sorry Business.

And to all our sponsors and supports, and the other services, organisations and individuals who supported the event directly or indirectly — thank you.

Your support and contributions are greatly appreciated!

It has been a fantastic week of teamwork, learning, activities, connection and community spirit.

That brings our PNP Youth Summit 2026 to a close.

Future Leaders, Strong Community.
