Come and see us at the Healing Centre for confidential support, advice and advocacy for families. We're here to support our families to support their children to grow up healthy and happy.

PNPM can help.

As a partner, PNPM can apply for Work and Development Orders (WDO) on behalf of clients for the following activities:

- Counselling (including drug and alcohol counselling and excluding financial counselling).
- Culturally appropriate programs.

If people can't afford to pay in full or need more time to pay:

- Anyone with SPER debt can go online and set up a payment plan, via bank account, card or an eligible Centrelink benefit at sper.qld.gov.au. They can also check their balance, view debts and update their details with SPER to make sure they don't miss important notifications.
- People who have an existing payment plan can contact SPER on 1300 729 643 to discuss their circumstances or for help, Monday to Friday, 8 am to 5pm (excluding public holidays).

Need help with SPER?

(State Penalties Enforcement Registry)

Eligible clients can apply for a WDO to manage their approved activities. See the Healing Centre for more details – the service is mutually beneficial to community residents and PNPM.
